

MorphoTrust Adds Airport Enrollment Center for TSA Pre✓™ Application Program

New Airport Locations Accepting Applications for Expedited Security Screening

January 17, 2014, Nashville, TN

[MorphoTrust USA](#) (Safran), a leading U.S. provider of identity solutions and services, with its services business headquartered in Franklin, Tenn., announced today it has been contracted by the Transportation Security Administration (TSA) to provide enrollment services for the TSA Pre✓™ application program, including the most recent location in the Nashville International airport.

IdentoGO® Centers by MorphoTrust are supporting TSA by providing enrollment services at approximately 300 locations at both on-airport and off-airport enrollment centers. MorphoTrust is the authorized enrollment provider for the TSA Pre✓™ application program under its Universal Enrollment Services (UES) contract with TSA. The UES contract consolidates enrollment and registration services for multiple TSA programs, including the TSA Pre✓™ application, Transportation Worker Identity Credential (TWIC) and Hazardous Materials Endorsement (HME) threat assessment programs, into a single service with convenient locations nationwide.

“MorphoTrust has years of experience delivering services that support the vetting of individuals with an emphasis on professionalism and convenience, and we have proudly supported the TSA for more than eight years,” said Charles Carroll, senior vice president for identity services at MorphoTrust. “TSA Pre✓™ is an extremely popular program that has enabled millions of trusted travelers to speed through airport screening. MorphoTrust is excited to help TSA bring this convenience to a larger share of the traveling public, while ensuring security for all travelers.”

About IdentoGO® Centers

IdentoGO® Centers by MorphoTrust provide a single location where Americans can access a growing number of identity-related services through a nationwide network of professional and convenient locations. Spanning all 50 states and U.S. territories the primary service offered in each center is the secure capture and transmission of electronic fingerprints

About MorphoTrust® USA

MorphoTrust® USA (Safran) is a leading U.S. provider of identity solutions to federal, state and local governments that simplify, protect and secure the lives of Americans. The company’s offerings help to verify the identity of applicants and deliver the secure credentials that individuals rely on to exercise their civil rights, gain access to benefits and services, and ensure trusted transactions while reducing fraud and enhancing national security. The company delivers solutions for secure ID issuance such as U.S. driver licenses and passports as well as for border management, law enforcement, retail, travel and applicant vetting through document authentication, data verification and biometrics (iris, fingerprints and face). We serve many U.S. federal agencies and businesses, operating in all 50 U.S. states. The company also has a nationwide network of ID service centers, with approximately 1,200 convenient locations. MorphoTrust was named the 2013 North American Company of the Year for Government Biometrics by Frost & Sullivan.
